Size:

GARAGE AT 204

Ironhide was proud to be awarded this fantastic opportunity as a general contractor on building this new concept project in Omaha, NE. This will be Omaha's only private car condo complex, in which includes 4 buildings. This new concept will also feature a private community and private clubhouse for the purpose of Car Clubs, Charitable Events, Sponsored Club Events, and Car Shows. We are excited to keep you updated with progress photos throughout the construction process at Garage 204.
